

February Newsletter

Preschool I

Our Color Unit has been so much fun! Our “Eat the Rainbow Party” is this Wednesday Feb 7th at 3:30pm. Remember 1 member of your family is invited to attend.

Valentine’s Day is fast approaching. We will be celebrating on Wednesday February 14th. Please send in a card for each child in our class. There are currently 18 children enrolled in our class. Please DO NOT put the “To” name on the card. Leaving it off will make it much easier for your child to pass out the cards.

Our Shape Unit will begin on February 12th and go for 4 weeks. We will be exploring many shapes while focusing on heart, rectangle, star and oval. The children will learn about how many sides and points each shape has. They will match and sort by shape. In addition, we will be looking for shapes in nature and around our homes and school. Please join us in this journey by discussing and looking for shapes with your child.

Please remember to check your child’s basket frequently to ensure that they have a complete set of clothing in case of an accident. If your child has out grown some of their clothes, please consider donating any 2T, 3T or 4T elastic waist pants/shorts, underwear and socks to our class as extras.

Lenten Fish Fries are here again! Please enjoy these dinners on Feb 16th, March 2nd and 16th. Thanks, in advance, for your support.
